

## 5<sup>th</sup> International Conference on Smart Monitoring, Assessment and Rehabilitation of Civil Structures

### SMAR 2019 CONFERENCE

at Potsdam, Germany | 27 – 29 August 2019

The International Conference on Smart Monitoring, Assessment and Rehabilitation of Civil Structures, SMAR 2019, will provide a forum for international scientists, engineers, enterprisers and infrastructure managers to present and discuss the state-of-the-practice and recent advances in testing and monitoring technology, in structural modelling and assessment methods, and in the application of advanced materials for structural rehabilitation. The conference will provide a platform for exploring the potential of international cooperation.

#### Sponsorship / Exhibitor Packages

A vendor exhibition will be conducted to complement the technical presentations.

Lucrative sponsorship and exhibition packages give all interested companies the opportunity to present themselves to business partners and new customers. For that reason we offer different sponsorship and exhibition packages.

Each package includes:

- Conference registration fee (number of tickets varies according to the package) incl. documentation, coffee breaks and lunches and conference dinner
- Company logo on conference website

Gold and silver sponsor as well as exhibitor packages include:

- Exhibition booth (size varies according to the package) incl. set-up (2 chairs + 1 table)

All sponsor packages additionally include:

- Company logo in conference documentation
- Company short presentation in conference programme
- Company logo on conference flyers and posters (printed after sponsoring contract)
- Opportunity to include sponsor's promotional material (flyer) with conference documentation

Herewith we order the following sponsorship or exhibition package:
